

MASSACHUSETTS LAWYERS WEEKLY

Letter: Guide's editor grateful to Flaschner

By: admin April 19, 2018

To the editor:

I want to commend the Flaschner Judicial Institute for its unwavering support of the "Massachusetts Guide to Evidence" since its first publication in 2008.

Over the years, Flaschner has distributed a copy of each annual edition of the guide to every sitting trial and appellate judge in Massachusetts.

Flaschner has also supported annual educational programs for judges and lawyers on selected topics in evidence.

A major reason why the "Massachusetts Guide to Evidence" has become the standard reference book on evidence law is the support of the Flaschner Judicial Institute.

Judge Peter W. Agnes Jr.

Appeals Court

The writer is editor-in-chief of the "Massachusetts Guide to Evidence."
